

# Office & Workplace G64R - Ergonomic Task Chair

In partnership with  
**orangebox**  
remade

Remanufactured, Revitalised & Restored

We take used **Orangebox G64** task chairs, we service them, replace any worn componentry, and supply you with a nearly new chair with a **5 year guarantee**. We have a warehouse stock of chairs ready to be remanufactured to your specification. Choose from 1000's of different fabrics to match any colour scheme.

from **£147.95**

Tested to the  
British Standard for  
Strength & Stability  
(BS EN 5459:2000)

## Mechanisms

Gas lift adjustment

Back height adjustment

Synchro seat & back tilt  
Back moves with seat in a 2:1 ratio

Weight tension control

Height adjustable arms

- Each remanufactured chair **saves 32kg of CO<sub>2</sub>**, a 61% reduction in total compared to the new G64
- **98% of parts are recyclable**; components removed are either kept for reuse or returned to Orangebox's locally based suppliers for reprocessing into new parts
- Water footprint analysis demonstrates a **G64R saves 72% of water consumption** compared to a new G64

- The new G64R is an Orangebox Approved product which has been remanufactured using Orangebox replacement parts and to a process that complies with new British Standard for remanufacturing (BS8887-220) to help ensure 'as good as new' quality
- **A fraction of the cost - up to 75% less than the price of a new G64 - a market leader for nearly a decade**
- Easy to adjust weight tension control mechanism
- **2D** arm rests; height adjustable with a rotating pad that can be turn inwards or outwards
- Moulded CMHR foam that gives added support in the lumbar region
- Die cast aluminium 5 star base finished in Grey
