Making drivers happy

Go Green, Go Electric

Order a new fully maintained and insured plug-in electric car in June and get a **FREE** charge point*

It could save you **up to £1,000 a year on fuel costs!***

Plus, from 2020-21, the Benefit in Kind rates for ULEVs are reducing to as low as **2%** so **there's never been a better time to go green!**
