Regional Contractors Framework

WELCOME

Volume 1, Issue 1

August 2020

The *South West Wales Regional Contractors Framework 2020* launched on 1st February and has had a busy first 6 months despite the COVID-19 situation and challenges it has brought to the construction industry.

- Seamless transition from SWWRCF2015 to SWWRCF2020
- Currently 35 Projects worth an estimated *£218million* currently due on the SWWRCF pipeline
- 6 Projects awarded on direct award basis
- Future opportunities of approximately *£302million* recorded on SWWRCF database to date
- Combined total of *approx. £934 million* committed to current and previous iteration of SWWRCF as of August 2020
- Provides diverse opportunities with an array of projects, with first NHS scheme currently being tendered via the framework
- To date there have been 12 Project Bank Accounts established and executed across the region for projects tendered under SWWRCF

MEET THE TEAM

The SWWRCF framework team is housed within Carmarthenshire County Council who lead on the framework on behalf of the 4 other partner regions. Led by Andrew Shaw (Framework Manager) the team is on hand to provide support and guidance for all projects that are tendered via the framework.

NATIONAL ASSOCIATION CONSTRUCTION FRAMEWORKS

By the public sector,
For the public sector

SWWRCF is pleased to announce they are a member of the NACF, which works together with public sector construction frameworks nationally across the UK to help shape the future of the national procurement strategy and ensure best practice is adopted and contributes to government construction strategy.

WHY SWWRCF?

- ◇ Flexibility
- ◇ Compliant
- ◇ Cost Effective
- ◇ Full Suite of Comprehensive Documents
- ◇ Social Value
- ◇ Experienced Support & Expertise
- ◇ Credibility

RACE IS ON TO WIN £30,000,000 CONTRACT

SWWRCF contractors in Lot 6 have the chance to develop a ground-breaking building designed to attract innovative tech and creative businesses to the heart of Swansea city centre. The Swansea Council scheme will help stimulate employment and economic growth in the city centre and is a key part of the city's regeneration plans.

SWWRCF MEETS WELSH GOVERNMENT

Regional Framework Managers from the SWWRCF, led by Hywel Harries in Property Design within Carmarthenshire County Council have held successful discussions with Brendan Burke, Senior Commercial Value Policy Manager at Welsh Government and lead officer for Project Bank Accounts. PBA's currently apply on all funded construction and infrastructure contracts fully or part funded by the Welsh Government with a value of currently £2 million or more. SWWRCF framework incorporates the opportunity to use PBA's for all eligible projects and provides template trust deeds for use on either joint accounts or sole accounts.
